

Nirva Application Platform - Bug #142

Management of the μ character

02/11/2016 04:42 PM - Maxime Merle

Status:	Resolved	Start date:	02/11/2016
Priority:	Normal	Due date:	
Assignee:	Pierre Marc	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Tested:	Yes
Operating System:	Any		
Version:	4.8.002		

Description

When a 'μ' character is in a nvs.log file, we have problems to display it in the Log / Search (in the NAP web interface).
The NAP server is configured in Unicode mode.

History

#1 - 02/11/2016 04:58 PM - Pierre Marc
