Description				
The GET_PAGES command produces an exception with some PDF files.				

History

#1 - 10/06/2011 03:53 PM - Pierre Marc

- % Done changed from 0 to 100

The bug has been corrected in v 2.04. Some files may still fail with the GET_PAGE command but they don't produce an exception (just an error).

#2 - 10/06/2011 03:53 PM - Pierre Marc

- Status changed from New to Closed
